The meeting was called to order by President George Watkins at 2:40.

**Old Business:** Robert Donathan presented the financial report for April. It was moved and approved to accept the report. Joyce Cooper presented the minutes for April and it was moved and approved to accept them.

**New Business:** Laura Delfield and Gilda Reynolds presented a preview of The Longest Day, a national fundraiser for alzheimer's disease that the ACBL is sponsoring and that The Bridge Center is endorsing, and requested that the Board donate a sum of money to the event. The Board moved and approved the sum of \$500 to be used for food for the event.

The last tournament was discussed. It was noted that clean up did not occur as expected on Friday and on Sunday. In the future, all food products are to be removed from the site, and all garbage is to be removed from the building at the end of each day. The kitchen is to be left clean, and the tables are to be lined up as requested by the Center. The Unit wants to maintain good working relations with the Center and we are dedicated to fully cooperating with the Center to meet their criteria for clean up.

The turn out for the Knock Out teams was also discussed. As at previous Sectional tournaments, there were not enough Flight A teams to make up a section for play. It was moved and approved that in future sectional tournaments, that if not enough top ranked teams enter the Knock Outs, then that section will not play. Flights will not be mixed. Swiss team entries will be limited to 2000 points per player.

The I-35 Cup was announced for May 18.

The meeting was adjourned at 3:40.
