

**Capital of Texas Bridge Association
ACBL District 16, Unit 207
Monthly Minutes: June 12, 2013**

The meeting was called to order at 2:40 by Vice President Pam LaShelle.

Members Present: Pam Lashelle, Ken MacMorran, Blair Lapwing, Patty Webb, Pat Rutledge, and Joyce Cooper.

Old Business: The May financial statements were reviewed and approved.

New Business: It was moved and approved that for the forthcoming Lone Ranger event, sponsored by Unit 207, free play would be offered to all players with over 750 master points: the goal being to increase participation of players with a higher amount of points in order to give newer players a better chance of playing with a more advanced player. This will be a trial event to determine if the incentive results in a higher number of player turn out.

It was moved and approved to pay the basic expenses for Laura Delfeld and Pam Lashelle to attend the Teacher's Convention at the Atlanta NABC tournament in August, in the amount of \$450.00 per person, to cover their seminar entry fee and hotel rooms for 3 nights. They will hold an educational seminar for teachers in Austin after their return to share their new information.

The Board reviewed the agenda items presented by Ken MacMorran for Larry Davis. It was moved and approved to name Larry Davis and Mary Anne Laier as the chairpersons for the Austin Regional tournament in 2014, at the same pay as per 2012: \$600 per co-chair with 6 free plays each included during the tournament days.

The other items that were submitted for review were discussed, but tabled for the July Board Meeting.

The meeting was adjourned at 3:50 pm.
