FREE Play for Unit 207 members compliments of the Unit
Saturday, March 25 10:00 am and TBA

The Unit qualifier for "B" and "C" flights of Grand National Teams will be held on Saturday March 25. For the B flight, no player may have more than 2500 masterpoints. For the C flight, no player may have more than 500 masterpoints, and no player may be a Life Master. This is a two-session event and you must play in both sessions. 60% of the field in each flight will qualify to play in the District 16 finals which will be held Saturday April 8 and Sunday April 9 at the Houston Election Sectional. **PLEASE NOTE:** The above masterpoint limits are back-dated, so to speak. If you met those criteria on August 6, 2016, you are eligible to play even if you have subsequently gone over the limits (or become Life Master).
